

# Crown Medical Training Health & Safety Policy Statement

## Office of the Chief Executive

It is the policy of Crown Medical Training to ensure, so far as is reasonably practicable, the health, safety and welfare of our customers and employees whilst they are at our premises.

### **Crown Medical Training will endeavour to:**

- Provide and maintain safe working environments without risk to health and safety
- Set standards that comply with all relevant statutory requirements relating to health, safety and the environment with regard to their effect on employees, customers, contractors and the public
- Safeguard employees and others from foreseeable hazards with regard to health, safety or the environment in existing processes and working systems
- Ensure all employees are aware of their own responsibilities in respect of relevant health, safety and environmental matters
- Aim to achieve the commitment and active involvement of all staff, in order that safety awareness and positive attitudes are fostered and continuous efforts made to improve safety performance
- Promote good health and be concerned with the prevention of occupational and non-occupational disorders and diseases using health counselling and health education
- Co-operate with appropriate authorities and technical organisations, both to ensure that policies are updated and to contribute to the formulation of standards and means of compliance
- Retain, and review as necessary, existing arrangements for safety committees to maintain effective consideration of health and safety measures
- Ensure that these objectives are being fulfilled through auditing activities, both internally through competent assessors and also by external consultants

**Issued by Order of the Chief Executive 1st November 2008.**
